Roadmap Builder

Vision (1 sentence)

■ *Guidance*: Keep your vision concise, inspiring, and specific. Aim for clarity over length. Focus on what future you are moving toward, why it matters, and who benefits.

Learn: one conversation or research step

■ *Inspiration*: Every leap starts with curiosity. A single conversation or research step can unlock clarity and momentum.

Execute: one pilot + metric to start and track

■ *Inspiration:* Action beats intention. Start small with a pilot, and choose one metric that will give you honest feedback.

Adapt: one change to test

■ *Inspiration*: Growth requires flexibility. Testing one thoughtful change keeps progress alive without overwhelming your plan.

Persevere: two leading indicators weekly to check in with

■ *Inspiration*: Small signals compound into transformation. Choose two leading indicators that will reassure you that progress is happening each week.
